

Greentek
Home Ventilation Systems

You need fresh air, so does your home.

Greentek Peace of Mind

All Greentek products are backed by the best limited warranty in the industry, for your peace of mind.

You benefit from a lifetime warranty on the core, a 10-year warranty on our ventilation motors and a 5-year warranty on all other components. So you can breathe easy.

Heat Recovery Ventilator PH Series (PH 7.15 and PH 10.22)

Imperial

Greentek

Features & Benefits

DuoTrol balancing system

Silent and economical...
By reducing motor speed to balance the unit, you avoid the noise that would be

produced by balancing dampers. In addition, with this technology the unit will consume less energy.

SPM attachment system

The entire line of Greentek HRV/ERV products is designed for installation by a single person. "Single Person Mounting" will enable you

to save time and effort by offering you a variable attachment system.

ISF 6" (diam.) collar system (Patent Pending)

Quick and simple to install thanks to our revolutionary "Insert Slide and Fix"

collar system. The "ISF" 6" (diam.) collar system enables you to manipulate duct within your reach and then insert by sliding it in place, for a better and quicker installation.

Range of controls For optimal performance of your HRV/ERV system.

The entire range of GreenThinker controls is offered with features making

your ventilation system simple, easy to operate and backed by a 5-year limited warranty. Choose from: RD-1, RD-2, RD-3P, RD-4P (shown above) and T3 (Push-Button Timer)

High-Performance motors

All Imperial products are designed with high-performance and reliable motors for your comfort and peace of mind. Factory

sealed and dynamically balanced, our motors are maintenance-free for years to come.
