

Kinetico **ESSENTIAL** SERIES®

WATER SOFTENERS

Performance and value for basic water problems and applications

- Non-electric reliability and ingenuity in an affordable package
- Protect water-using appliances and fixtures from stains and scale buildup
- Use less detergents and soaps for easier cleaning, savings and softer skin and hair

Kinetico ESSENTIAL SERIES®

Product Highlights

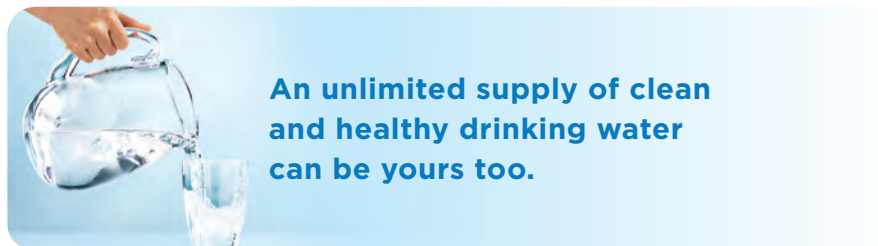

Non-Electric Operation: Moving water powers these systems, not electricity, so operation is simple and reliable. There are no timers or computers to set, adjust, repair or replace.

AccuDial® Precision: Your water professional will accurately adjust the system to your specific water conditions.

Efficient Hardness Removal: Get the water you want in your home.

Minimal Regeneration Time: Unit is back in service more quickly than traditional single-tank softeners.

5 Year Limited Warranty: Rest assured, we stand behind our products.

Available Models:

Gold

Platinum

Independent
Laboratory
Certification

Kinetico Essential Series Water Softeners are Tested and Certified by WQA against NSF/ANSI 44, NSF/ANSI 372, and CSA Standard B483.1 for specific performance claims as verified and substantiated by test data.
